## PARTIAL NOTICE OF CONSTITUTIONAL RIGHTS

I **HEREBY** request to speak to a member of the Sublette County Attorney's Office regarding a criminal matter in which I stand charged or assume that I may be charged with. I understand that I have specific rights including those rights enumerated below, and that it may be detrimental to my case if I discuss this matter with a representative of the State of Wyoming. Specifically, I understand that defenses an attorney representing me could successfully assert on my behalf may be compromised by statements I may make while speaking to any member of the Sublette County Attorney's Office. I understand the role of the prosecutor in my case and that the prosecutor is adversarial to me. I understand that I am giving up my constitutional right to remain silent by choosing to discuss my case with the state. Notwithstanding my rights it remains my wish to speak to the prosecutor about my case and I do so voluntarily, knowingly, and without coercion or threats made by anyone.

1. I have the right to remain silent. Anything I say can and probably would be used against me in a court of law.
2. I have the right to an attorney during all stages of my case, and if I cannot afford one, I can request that the Court appoint an attorney to represent me in this matter. I have the right to have an attorney present to represent me during any conversation I may elect to participate in with the Sublette County Attorney's Office.
3. I have the right to terminate my discussion with any member of the Sublette County Attorney's Office at any time without explanation.
4. I understand that the prosecutor in the Sublette County Attorney's Office with whom I speak may record any or all our conversation, and I may do likewise.
5. I understand that the prosecuting attorney with whom I speak cannot and will not give me legal advice but can explain processes and notify me of resources available to me.
